WORK EXPERIENCE

Executive Assistant | Real Estate & Marketing 2024 – 2025

Oakside Companies – Tampa, FL

- Managed CRM workflows and marketing execution for 20+ active self-storage assets, overseeing lead tracking, reporting, branded listing materials, and digital promotion across Salesforce, Sharp Launch, and Yardi Matrix.
- Developed and published commercial listing content across LinkedIn, website platforms, and email campaigns to enhance asset visibility and stakeholder engagement.
- Compiled and structured due diligence documentation (tax records, sales history, demographic analysis) to support asset evaluation and acquisition strategies.
- Maintained data accuracy and operational consistency across CRM systems, property records, and marketing materials to ensure portfolio integrity and professional presentation.

Co-Founder & Marketing Director | Brand & Operations Lead 2022 – 2026

Luminon Gaming LLC – Miami, FL

- Co-founded and built the organization's brand identity from inception, developing logo, visual systems, merchandise design, and cohesive marketing strategy while scaling community membership from under 500 to 1,000+, supporting 8+ LAN events and over 50 online events.
- Directed end-to-end event and operational logistics, coordinating travel, lodging, and on-site execution for players and staff while overseeing cross-functional collaboration between leadership, talent, and production teams.
- Led merchandising and ecommerce operations by designing and launching 40+ branded assets and custom apparel pieces, managing Shopify and Fourthwall storefronts, promotional campaigns, and revenue-supporting digital activations.
- Integrated AI-powered workflows to streamline content production, reporting, and digital asset management within a fully remote team structure, improving efficiency and coordination.

SELECT CONTRACT & PROJECT ENGAGEMENTS (2020-2025)

Provided contract-based executive, leasing, lead generation, marketing, and branding support for U.S.-based and local businesses across real estate, healthcare, ecommerce, and service industries in fully remote and hybrid environments.

Key responsibilities included:

- Managed CRM systems and active lead pipelines, conducting approximately 70 outbound calls daily while handling inbound chat and email support for U.S.-based accounts.
- Qualified prospects, scheduled appointments, and maintained structured follow-up workflows to support revenue generation and client acquisition efforts.
- Processed rental applications and lease documentation with high accuracy, ensuring compliance and organized record management.
- Coordinated executive calendar management and client communications to support daily operational efficiency.
- Developed branding assets and social media content for small businesses, including logo design, visual identity elements, and promotional posts to enhance online presence and customer engagement.
- Executed email marketing campaigns and lead nurturing initiatives using platforms such as Mailchimp and Klaviyo.
- Maintained detailed reporting and performance tracking using Excel and CRM dashboards to support data-driven decision-making.

Clients included:

Allegiant Management Group (FL) | Eye Care Hawaii (HI) | One Payment (FL) | Powur Solar (CA) | Green Juice SV | Additional U.S.- and LATAM-based businesses.
